## **Childminding UK Trustees**

Our mission is to offer professional support to all Ofsted registered childminders, promoting high quality home based childcare through education and training. We will support and work in partnership with children and families in every community to ensure that they have access to high quality childcare, enabling children to reach their full potential and keeping them at the heart of all our activities.

This is a great opportunity to help move our organisation forward as we continue to expand to a national support organisation for all Ofsted registered childminders, helping them improve outcomes for the children in their care.
